We have just unloaded another carload of Mattresses, comprising three grades only, one hundred and fifty (150) Mattresses, two hundred and fifty pieces.

This is a splendid lot of Mattresses, as an inspection will prove, and every Mattress guaranteed as represented.

What do you care if so far this year our bedding business is 20 per cent. better than ever before? "Not a thing," say you, "that is, unless it has some bearing on my getting a better Mattress for the money than elsewhere."

Well, we are going to try and do that. Please note the following grades and prices:

SANITARY SOFT TOP MATTRESSES, dust proof tick, full size, two parts **\$2.70**

WHITE FELT TOP AND BOTTOM MATTRESS, attractive tick, full size, two parts... **\$4.00**

WHITE FELT COMBINATION MATTRESS, art tick, something new for the money, full size, two parts **\$5.40**

Plenty of 3.0 and 3.6 Mattresses in above grades at proportionate prices to those quoted.

We are showing the big leader, that White Felt Combination, in art ticking, in our windows for a few days.

Remember that we are sole agents for Barre and Montpelier for the celebrated Ostermoor Mattresses, if you want something better, and carry a good stock in A. C. A. and art tickings and in all sizes in one or two parts.

WEST TOPSHAM

James Struthers Ordained As Baptist Pastor.

A council, consisting of the pastors and representatives of nine of the neighboring Baptist and Free Baptist churches and Rev. W. A. Davison, D. D., of Burlington, secretary and superintendent of missions of the Vermont Baptist state convention, met at the West Topsham Free Baptist church Wednesday afternoon, July 9, to examine James Struthers, pastor at that place and at East Orange, for the gospel ministry. The council organized by electing Rev. W. A. Davison as moderator and Rev. L. W. Pease as clerk.

The candidate related his Christian experience and call to the ministry and read a statement of his belief as to Christian doctrine. The council, after questioning him on each of these points, and on church polity, declared itself unanimously as well satisfied and voted to proceed that evening with the ordination.

The evening service was after the following order: Invocation, Rev. C. O. Dunham of Washington; scripture lesson, Romans 12; Rev. William Gresham of Westerville; report of the council by its clerk; sermon, Rev. W. A. Davison, D. D.; text, Luke 11:1—"Lord, teach us to pray; ordaining prayer, Rev. S. H. Myers of Groton, Revs. Davison and Gresham uniting with him in laying on hands; charge to the candidate, welcome and right hand of fellowship, Rev. G. H. Holt of Barre; welcome to the town, Rev. O. L. Barnard, pastor of the Methodist church at Waits River and East Topsham; charge to the church, Rev. L. Benedict of Montpelier; benediction, Rev. James Struthers.

The local people furnished good music. Rev. F. H. Perkins of North Tunbridge, who had part in the examination, was unable, because of sickness, to be present at the ordination. All unite in believing these two churches to be fortunate in having such a man for pastor, and bespeak for them success in their united work.

MONTPELIER

Missing Boy Bridgeport Returns Home and Is Welcomed.

Arthur Larivey, jr., the fifteen-year-old bridgeport, whose hurried trip away from his wife last Sunday has furnished numerous newspaper stories since his departure, returned yesterday to the arms of his family and at once resumed his position as a painter on the creamery building. He came to Montpelier from Shelburne, to which place his father had sent funds for the trip.

Public Interests Are Paramount.

The demand of the conductors and trainmen of the fifty-two steam railroads in the East for a twenty per cent. increase in wages should go to a board of arbitration at once by agreement.

There must be no strike. Employers and employees have interests at stake, but those of the public are paramount, for 50,000,000 residents in the districts served by the lines would be discommodated and distressed if operation were to cease, even for a brief time.

Gentlemen, get together again, as did the Boston elevated and the street carmen!

Congress could help relieve the present unpleasant situation if it would lay aside the tariff bill and currency reform for just a moment and so amend the Erdman law as to make provisions for picking arbitrators sufficient in number and satisfactory to both sides.—Boston Globe.
